CLASS COLORS:  
Purple and White

CLASS MOTTO:  
On the Threshold of a Dream

CLASS SONG:  
"Exodus"

The Call goes forth  
To brave and humble men  
To cure the ills of all the world.  
And we have heard the call  
To fight for God and right  
And to make this world  
A better home for man.

So now, we go  
To strive for peace and love  
To clasp the hands of all mankind.  
Yes, we will give ourselves  
To all that's right and just  
Till the world becomes  
The fruit of all our dreams.

## the class history

The Class of 1970 was born on September 7, 1964 as we walked into the doors of EWHS as seventh graders. Our first impression upon entering the school was its colossal size, intricate corridors, prison-like atmosphere, and, as a compensation, dark, discreet hideaways for lovers.

With the help of the gracious upperclassmen and the "buddy system", we managed to find our classrooms only five minutes after the bell rang!

The trials and tribulations were many, but like all things, it came to an end.

And, oh, what a wonderful summer!!!

Mr. Friends' history classes were always a challenge trying to escape his "nuggies". Mr. Hayden, who was very popular with his students, taught a very interesting math class. And we all learned to appreciate art with Mrs. Hyde!!

Oh, yes, how can we forget our record hops after school, doing the "Freddy" and playing games. Congratulations to the one who could whistle with a mouth full of crackers!

And, oh, what a wonderful summer!!!

Once again we came back to EWHS as the "babies" as the seventh and eighth grades were moved to the Middle School. Our class officers were President, Tom Scavotto; Vice President, Jim Trombly; Secretary, Peggy Sheridan; and Treasurer, Charlotte Dewey.

Our Freshman initiation included crepe paper bows for the girls and boys and bibs at lunch. The Freshman Welcome was a big success as we danced to the strains of the "Tactics"!! We now felt like we really belonged!!

Among the teachers that started us on our crusade of knowledge was Mr. Agostinelli — World Civilization I.

As the basketball season approached, we had our first chance to show the school all our spirit and enthusiasm at the Pep Rally. We worked long and hard and finally came up with a big Panther head with a curtain-shade tongue!!

We were finally given the privilege of attending the senior high school assemblies and soon learned to laugh along with Mr. Donovan's jokes!

And for the first time, Larry Baran, a freshmen, was elected to the Student Council as Vice President. We had proven our uniqueness.

And oh, what a wonderful summer!!!

Our Sophomore year brought a traditional victory of the Pep Rally with "Blooming with Spirit" and a million paper flowers.

Class officers were President, Glen Vincent; Vice President, Jim Trombly; Secretary, Karen Beattie and Treasurer, Ken Strout

Some of the honors bestowed on the members of our class were induction into the National Honor Society and Mu Alpha Theta.

As May approached, the school went out to clean the streets to prepare for the Bicentennial. Concentration and studying became difficult as the school grounds were transformed into Riverside Park and the celebration began.

As the school year drew to a close, we ordered our class rings, the last of the old traditional style.

And, oh, what a wonderful summer!!!

As September approached once again, we anxiously awaited the arrival of our class rings. The ring assembly was held in October as we paraded hesitantly and anxiously in front of the Seniors.

Our Junior year brought the arrival of Mr. Lundquist, our new Principal and Mr. Anders, Vice Principal. It has taken a **LONG** time to get used to them!

Our class officers were President, Ken Strout; Vice President, Mary Jane Clay; Secretary, Karen Beattie; and Treasurer, Sharon Williams.

Once again the Class of 70 surprisingly enough defeated the big-talking Sophomores at the Pep Rally with "Spirit Explosion". Ros Britt, please pay up your bets!!

As spring approached, plans for our Junior Prom, "A Touch of Gold", were already made with Peggy Sheridan and Jan Maffisoli as Co-Chairman. For the first time in the history of school proms, our class took the prom out of the high school gym and held it at Hotel America. Sharon Muckor was picked as queen by the orchestra with Peggy Hambleton, Mary Jane Trombly, Julie Preston, and Rose Mary Rice as her court.

Another first was our presentation of the Class of 1969 at Class Night with three roaring motorcycles on stage!!!

And, oh, what a wonderful summer!!!

And we finally returned, once again, as Mighty, Mighty SENIORS. The school year began amidst a cloud of confusion as home rooms were abolished and all the lockers were conveniently arranged with combinations to keep hungry Juniors away from Gary Ellsworth's lunch.

Our class officers were President, Ken Strout; Vice President, Len Norton, Secretary, Joyce Burnham; and Treasurer, Sharon Williams.

After many struggles, we finally received our Senior Privileges — with our parents' permission! They included free access to the library, the areas behind the school building, and the courtyard, which had been drastically transformed during the summer into a flowering paradise; Seniors excused G-period; and Senior tables in the Cafeteria — somewhere!!!

Our magazine drive began at the end of September. We finally reached our goal and broke the record for the amount of sales for a school our size. Still, Senior dues were pretty high for most of us!

Much was accomplished at our class meetings — we learned to salute the flag and **Robert's Rules of Parliamentary Procedure**.

In October EWHS participated in the nationwide moratorium with a march to St. Phillips Church, black arm bands, speeches, and a walkout.

And, for the third time, the Class of '70' took the Pep Rally from the Freshman, Sophomores, and the Juniors with "Panthers on the Warpath" and a "borrowed tent cloth".

We can never forget our Senior victory parties at Hauri Gauri with cold pizza and warm soda!

In January the Student Council, the Executive Board consisting entirely of Seniors, held the Winter Carnival at the high school and had Brad Davis and his Caravan of Bands for the Winter Carnival dance. In return, a "select" few made their television debut on the Brad Davis Show and rocked to the music of the milk machine!

By the end of February all the water buckets were removed from the halls. What a relief!!

On February 21, our Senior Prom, "Shadows of Winter", was held at the Willow Glen under the co-chairmanship of Peggy Hambleton and Larry Baran. Cathy Lavoie was picked as queen by the senior boys with Linda Stathers, Debbie Foreman, Laurel Pirtle, and Peggy Sheridan as her court.

As this history is being written, more plans are underway. We hope to have a senior dance in the spring. After the dance, the senior girls will remain for a pajama party in the gym, and a breakfast, cooked by the girls for the guys, will be held the following morning. Graduation plans are still vague at this point.

Now as our senior year draws to an end, we think back upon all these wonderful memories. After graduation, our class will never again be wholly united. Memories will be stashed away as new phases of our lives begin. Here our class history ends as we stand on the "Threshold of a Dream."

Farewell

"Farewell to you and the youth I have spent with you.  
It was but yesterday we met in a dream.  
You have sung to me in my aloneness, and I of your longings have built a  
tower in the sky.  
But now our sleep has fled and our dream is over, and it is no longer dawn.  
The noon tide is upon us and our half waking has turned to fuller day,  
and we must part.  
If in the twilight of memory we should meet once more,  
we shall speak again together and you shall sing to me a deeper song.  
And if our hands should meet in another dream, we shall build another  
tower in the sky."
